ENTERPRISES LLC.

**LUMBER & BUILDING MATERIALS**

## **We are GROWING!**

Timberline Enterprises LLC is seeking a Contractor Sales Professional(s) that thrives in a fast paced business environment. Timberline is multi-store Building Materials and Millwork supplier. This is a full-time position, with an established company offering a competitive compensation plan, sales incentives, vehicle, expense reimbursement, and a full benefits package.

### **Position Responsibilities:**

- Develop business relationships by contacting existing and prospective customers
- Schedule deliveries within the customers' time frame and meet with customers for product selection and questions
- Estimate building material needs from blueprints

### **Position Requirements:**

- Estimating Blueprints and take-off knowledge a must
- Must have strong communication, self-discipline and organization skills

You will be responsible for finding, closing and cultivating new accounts and will be responsible for achieving monthly/yearly sales goals.

If you are an experienced professional in the lumber industry or related field.....please reply to us.

To receive consideration for this exciting opportunity, a cover letter detailing your work history must accompany your resume. No calls Please.
